## The Premium Plus Window

Durations Premium Plus aluminium windows are a modern, slim and secure window system that meets the specifications of an 'A' Rating in energy efficiency. BFRC certified Premium Plus aluminium windows are beautiful looking, high performance aluminium windows that have achieved and been certified to have an 'A' rating in energy efficiency from BFRC. It has done so as a DOUBLE glazed window. You will get a good return on the extra cost of this GREEN environmentally friendly window as it could save you upto

You can upgrade your 'A' rated windows to have our Chelton sash, which is designed to take our Chelton® handles and Chelton Secure™ locking system. The Chelton vent is simulated to have an 'A' rating by using triple glazed units, but is 'B' rated with double glazed units.

The Chelton® handle range is a range of handles to suit any home. This includes the modern Chelton® Slim-line handle, a discreet

## Features
