## Secured by Design Licence Holder

This is to certify that:

### Griffin Windows Limited

of

Unit 37, Abergorki Industrial Estate

Treorchy

Rhonda Cynon Taff

CF42 6DL

Hold a 'Secured by Design' Licence

## PROGRESS PLUS Guarantee Scheme

### Scope of the guarantee

1. Sac are confident that your windows, fitted with the Sac Shooball lock and approved hinges will resist forced entry
2. Should forced entry be achieved, Sac will repay any insurance excess payable under your home contents policy, up to a maximum sum of £1000.00

### Claims Procedure

1. Your insurers will ask you to obtain a Police Crime Number and you must notify us of this number.
2. You should obtain an on estimate from the original installer and pass this to your insurers, sending a copy to ourselves.
3. Advise us of your claim, by returning your claim card when your insurance company settles your claim. We need evidence of the excess you have had to pay.

### Terms and Conditions

1. Windows must have been fully closed and locked - not in the night vent position. The installer will verify this for us.
2. This Guarantee will apply only if you comply with the terms of your Insurance Policy and upon acceptance of your Claim by your insurers.
3. You must return to your original window installer for a replacement window. Should this be not possible, to comply with our terms for this guarantee you should write to us and we will assist by finding another company approved by us. (See clause 4).
4. This guarantee is based on a fabricator manufacturing and installing windows to our approval, incorporating components from other manufacturers approved by us to fulfil a comprehensive security specification.
5. This guarantee does not cover forced entry through breakage or removal of the glass.
6. This guarantee is valid for five years from the date of your installation registration.
7. Damaged windows must be made available for inspection by Sac.
8. Failure to comply with the claims procedure invalidates this guarantee.
9. Your registration must be received by Sac within 14 days from the date of installation.

Secured by Design is the UK Police flagship initiative supporting the principles of 'designing out crime' by use of effective crime prevention and security standards for a range of applications, including doors and windows.

# Progress Plus - Sac Security Anti-break-in Guarantee

# sac bolts for better weather proofing and security

(optional extra)

2mm inner tape, which forces a window sash across and closer to its outframe to ensure constant weatherproofing and reliable noise reduction.

Distinctively shaped products that have been designed to naturally interlock and become steadfast only when attacked.

- The Sac Bolt and Keep is the only single multi-patented product available today that can improve total window performance.
- The systems unique design and flexibility, enables you to re-adjust the sash to create more compression assuring a higher level of performance.
- The Sac Bolt and Keep guides the sash to a correct and perfect sash closing procedure every time the sash is operated.
- The systems simple and effective design relieves the hinge from stress assuring a longer window life.
- The products very effective anti-jemmy design and location gives ultimate protection against intruders at the vulnerable hinge side of the sash.
- Balanced window security and weather proofing by creating a tight seal between the hinges.

# check list

**Because not all windows and doors are the same.**

Before you buy, check that the supplier meets this demanding specification that we have shown you - Ask them to show you now...
