# Unique Stylish *Handles*

For Durations Window Ranges

Unique to Duration Windows the patented Chelton® Handle Range consists of a modern slim-line handle, an art deco style handle, designed to look like traditional steel window handles and a period monkey tail handle. These handles are fitted directly into the glazing bead, for clean lines and for added security. With a choice of three different designs available in a range of colours the Chelton® handle range has something to suit every home.

## Slim-line Modern Handle

An exciting new concept in window handles, our slim-line Chelton® Modern handles look like no handles you have ever seen before. Blending into the window frame, the discreet, curved, slim-line design looks great on your new windows.

- Available on Ali47, Premium, Premium Plus and Heritage windows.
- Discreet with minimal protrusion into the glass area.
- Designed not to catch on your nets or blinds.
- Key locking facility.
- Fitted directly into the bead providing clean lines, concealed fixing points and is tamper proof.

## Art Deco Handle

Durations Chelton® Art Deco handles have been designed to look like traditional steel window handles. They have an art deco style that fits in nicely to any period property, especially when replacing old steel windows.

- Available on Ali47, Premium, Premium Plus and Heritage windows.
- Art Deco design emulates traditional steel window handles.
- Key locking facility.
- Fitted directly into the bead providing concealed fixing points and is tamper proof.

## Monkey Tail Handle

Durations Chelton® Monkey Tail handles have been designed to replicate old Monkey Tail handles. A Classic design that will give your windows an olde worlde charm.

- Available on Ali47, Premium, Premium Plus and Heritage windows.
- Monkey Tail design emulates traditional cottage style window handles.
- Key locking facility.
- Fitted directly into the bead providing concealed fixing points and is tamper proof.
