

Premium HI Flush

DURATION
WINDOWS

Slim, Stylish & Efficient **Aluminium Windows**

Combining minimal sight lines and maximum weather resistance with all the best features of the tried and trusted Premium range: advanced performance, versatility and security. This window is perfect for domestic and commercial applications and can achieve traditional or contemporary looks with a range of frame and sash combinations in any RAL colour.

This advanced window system provides you with the latest in 'Polyamide' thermal technology, making it suitable for new build as well as replacement and refurbishment projects.

All of our Premium Windows are bespoke and made to measure; with a range of different vents and frames you can create a design to suit your exact specification and requirements.
