Aluminium Windows With 'A' Rated Option

DURATION  
WINDOWS

# *Slim, Stylish* & Efficient **Aluminium Windows**

Our new and improved Premium Windows offer the latest in stylish design with a wide range of sash styles to suit any project. This window is perfect for domestic and commercial applications and can achieve traditional or contemporary looks with a range of frame and sash combinations in any RAL colour.

This advanced window system provides you with the latest in 'Polyamide' thermal technology, making it suitable for new build as well as replacement and refurbishment projects.

All of our Premium Windows are bespoke and made to measure; with a range of different vents and frames you can create a design to suit your exact specification and requirements.

## Key Features

- Conventional colour range - White, Black, Dark Grey 7016, Brown, Silver or Dual Colour.
- Also available in any of over 200 single or dual RAL colours.
- 'Polyamide' thermally broken profiles for superior efficiency.
- Hardware available in a range of colours including our exclusive Chelton Espag Modern handle range.
- Can be supplied unglazed or glazed for 28mm units.
- Internally or externally beaded options available.\*
- Range of styles available to suit every application, including our French style opening window.
- Exceeds current building regulations.
- Ideal for new build, replacement and refurbishment projects.
- Suitable for commercial or domestic projects.
- Direct fix, Equal leg or Odd leg frames available with the ability to put trickle vents into a head extension or deep frame.

## Options

- Choice of 11 outerframes (including 4 deep outerframes).
- Choice of 5 different sash designs.
- White, light grey or black gaskets available.
- Range of projection cills available to suit your build.
- Hardwood frames available if required.
- A or B rated options available.

\*Fixed windows are always externally beaded.

# Premium Window

Our standard Premium Window will produce a 'B' rated window. To achieve this rating there are certain frame options that will be applicable as shown below. By changing the frame section you can upgrade this product to the Premium Plus windows which will be 'A' rated. These options are shown on the next page.
