The Royale Stepped Window

Features

- The perfect affordable replacement for old steel windows.
- Available with coupled or transom construction options.
- Slim thermally broken aluminium profiles with a depth of just 33mm.
- Maintenance free aluminum.
- Ease of installation - no need to cut back plaster, brick or existing subframes.
- Can be installed into existing or new timber subframes or direct to brick.

Glass Options

Our Royale Stepped windows are available with a range of different glass as well as cosmetic additions to help create that period style.
